EXPERIENCE

SEP Internship   Live Application
JP Morgan Chase Co.

📅 January 2022 – July 2022

- Worked on Mobile Application which helps employees of the company to book meeting rooms, their office seats, search for other employees, explore the office via MapIndoors, make their dining payments, access gates with the help of Mobile Badge, book company cabs for travel, chat with an assistant and a lot more.

Teaching Assistant
Coding Ninjas

📅 April 2020 – August 2020

- Taught students enrolled in the 'Python with Data Structures' program by Coding Ninjas.
- My key responsibilities were: Clarifying doubts, making corrections, and explaining the logic behind them.

PROJECTS

○ Hostel Desk   LiveSite
MERN Stack

📅 July 2020 – November 2020

- Developed a web application to automate the tedious work of handling students and employee records, generating mess bills, allocating rooms, and many more. Designed a console for hostel authorities to perform tasks. Also designed a portal for students to access information like their pending mess bills, room no, new notices, etc.

○ Text Generation
Deep Learning

📅 September 2020

- Build a Neural Network based model to predict what the next word will be in a sequence of words/sentences. The dataset consists of The Adventures of Sherlock Holmes, by Arthur Conan Doyle to train my model.

○ Advika
Django,HTML,CSS,JS,Django-PWA,RASA

📅 August 2021 – December 2021

- Developed a web application to help people who are not doing well mentally, need resources(meditation,blogs), want to talk to someone or maybe just need some guidance from experts or even track your days for how you have been doing. With Advika, user can interact with the mental-health chatbot,read blogs to get information, record how their day went and even contact psychologists/Specialists.

EDUCATION

Bachelor of Technology in Computer Science
Punjab Engineering College, Chandigarh

📅 2019-Present   CGPA : 8.66

Class XII
Guru Teg Bahadur Public School, Mehmuana

📅 2017 – 2019   Per : 91.8%

SKILLS

Python · Machine Learning · MS-Excel · Data-Scraping · Automation · MySQL · Tableau · HTML · CSS · Bootstrap · Javascript · React.js · Django · Express.js · Node.js · Android · JAVA

ACHIEVEMENTS

- Microsoft Learn Student Ambassador (Alpha)
  2021
- Southeast Asian Mathematical Olympiad-X, Singapore: Silver Medal
  2019
